Designed for You

Our assessment solution is designed to address the topics and learning outcomes most relevant to accounting and finance programs today and to meet accreditation requirements of AACSB, AMBA, IACBE, and ACBSP.

Online & Secure

You can assess your students online without a proctor. Our advanced security features lead to reliable and valid assessment results. Assessments are easy to integrate within your LMS, or we will build a school-branded microsite.

Customizable

With 13 core accounting and financing topics and 48 supplemental topics to choose from, you can easily customize assessments to align with your program's key learning objectives. Also, we allow you to customize assessments to meet the needs of program specializations.

Data & Reports

Our assessment is more than an exam - it is a comprehensive solution. You will receive access to all institutional and individual assessment data and reports. The intuitive reporting system provides you with an easy way to view your results and progress.
