Impact Criminal Justice Education

When you impact the quality of education, you prepare learners to contribute to their communities. Continuous quality assurance is a commitment and requires time. We have made it simpler. Peregrine Global Services provides you with a nationally normed, summative assessment solution. With our solution, you can access the data and reports you need to conduct efficient internal and external programmatic evaluation.

Designed for You

Our assessment solution is designed to address the topics and learning outcomes most relevant to criminal justice programs today and to meet accreditation requirements for regional accreditation and standards set forth by ACJS.

Online & Secure

You can assess your students online without a proctor. Our advanced security features lead to reliable and valid assessment results. Assessments are easy to integrate within your LMS, or we will build a school-branded microsite.

Customizable

With 10 available Criminal Justice topics and 6 Sociology topics to choose from, you can easily customize your assessment to align with your program's key learning objectives. Also, create multiple assessments to meet specialization needs.

Data & Reports

Our assessment is more than an exam - it is a comprehensive solution. You will receive access to all institutional and individual assessment data and reports. The intuitive reporting system provides you with an easy way to view your results and progress.
