Student Success Starts Here

When you impact the quality of education, you set your students up for success. Continuous quality assurance is a commitment and requires time. We have made it simpler. Peregrine Global Services provides you with a nationally normed, summative assessment solution. With our solution, you can access the data you need to conduct efficient internal and external programmatic evaluation.

Designed for You

Our assessment solution is designed to address the topics and learning outcomes most relevant to general education programs today and to meet accreditation requirements of CHEA, CIGQ, CHE, and CAEP.

Online & Secure

You can assess your students online without a proctor. Our advanced security features lead to reliable and valid assessment results. Assessments are easy to integrate within your LMS, or we will build a school-branded microsite.

Customizable

With 31 available General Education topics to choose from, you can easily customize your assessment to align with your program's key learning objectives. Also, we allow you to customize assessments to meet the needs of program specializations.

Data & Reports

Our assessment is more than an exam - it is a comprehensive solution. You will receive access to all institutional and individual assessment data and reports. The intuitive reporting system provides you with an easy way to view your results and progress.

Results and Reporting

School officials have 24/7 access to student results and reporting through Client Admin. Reports are used for academic benchmarking and learning outcomes evaluation.

The site includes:

- Student registration management.
- Access to completion certificates and individual scores.
- Summative reports for comparative analysis.

Exam Content

The test bank offers 31 available General Education topics with a separate test bank available for the undergraduate degree programs. An exam includes 10 questions per topic, randomly selected from the test bank of more than 3,000 questions.
