Designed for You

Our assessment solution is designed to address the topics and learning outcomes most relevant to global business education programs today and to meet accreditation requirements of AACSB, AMBA, ACBSP and IACBE.

Online & Secure

You can assess your students online without a proctor. Our advanced security features lead to reliable and valid assessment results. Assessments are easy to integrate within your LMS, or we will build a school-branded microsite.

Customizable

With 12 available business and management topics to choose from, you can easily customize your assessment to align with your program's key learning objectives. Also, we allow you to customize assessments to meet the needs of program specializations.

Data & Reports

Our assessment is more than an exam - it is a comprehensive solution. You will receive access to all institutional and individual assessment data and reports. The intuitive reporting system provides you with an easy way to view your results and progress.

Results and Reporting

School officials have 24/7 access to student results and reporting through Client Admin. Reports are used for academic benchmarking and learning outcomes evaluation.

The site includes:

- Student registration management.
- Access to completion certificates and individual scores.
- Summative reports for comparative analysis.

Exam Content

The test bank offers 12 available business and management topics with a separate test bank available for undergraduate and graduate academic degree programs. An exam includes 10 questions per topic, randomly selected from the test bank of more than 3,000 questions.

1. Accounting
2. Business Ethics
3. Business Finance
4. Business Integration and Strategic Management
5. Business Leadership
6. Economics (including subtopics in)
 - + Macroeconomics
 - + Microeconomics
7. Global Dimensions of Business
8. Information Management Systems
9. Legal Environment of Business
10. Management (including subtopics in)
