HUMAN RESOURCE MANAGEMENT

Overview

In many small to medium-sized companies and nonprofit organizations, the Human Resource function is an additional job responsibility, often for the business owner or other senior leader. Linking strategy with human capital is key to organizational success. In this module, you will learn the essentials of Human Resource Management (HRM), job analysis and recruiting strategies, employee training and development, career management, compensation plans, compliance in the workplace, and fair treatment.

This module is intended as a review of the key concepts, fundamentals, and foundations of the discipline.

Learners

This module is designed for learners who require an overview of the discipline. The module is commonly used in an academic leveling (transition to graduate education) or business review (capstone) course or program.

The module may qualify for Continuing Education Units (CEU) for professional certifications depending on the professional association.

Module Authors

The author for this module is Peregrine Global Services headquartered in Gillette Wyoming and includes materials from a variety of sources as indicated within the module.

Learning Outcomes

The learning outcomes for the module are as follows. With the completion of this module, learners should be able to:

1. Understand what Human Resource Management (HRM) is and its importance.
2. Define HRM competencies, functions, and framework
3. Understand importance of recruiting and development
4. Understand essential elements of the recruiting process
5. Describe the critical aspects of the performance management process

6. Describe the training and development process
7. Understand essential aspects of career management
8. Understanding essential aspects of compensation management and strategy
9. Know the factors involved in ensuring compensation equity
10. Understand legal considerations in compensation
11. Describe methods of job evaluation and designing pay plans
12. Understand the concept of employ relations and the key aspects effecting it.
13. Understand the essential elements of open and honest communications, fair treatment, ethical workplaces, and discipline and due process.
14. Understand the legal framework and the main types of laws relating to Human Resource Management and the main obligations employers and employees have for complying with them.
