

Leading the Leaders

This module is for those who are looking to step into the highest tier of leadership, where you are leading others like you and inspiring them to lead others in turn.

In this module, you will delve into the principles of higher leadership, look at practical applications of leadership, and gain tools for working with people and inspiring yourself and others. One important aspect of this level of leadership is mentoring, and you will go into detail on preparing the next generation of leaders through mentorship.

In the end, what it means to walk the path of a leader is different for each of us. But there are a few steppingstones along the way that have proven universal, and we share those in this module for you to walk and explore.

Outcomes

1. Explain the traits needed to be an effective high-level leader.
2. Understand the use of recognition and positive feedback.
3. Lead yourself and other leaders through self-assessments.
4. Coach other leaders through common workplace problems.
5. Conduct effective performance management.
6. Explain what is needed for a successful mentoring relationship.
7. Develop a strategy to create a leadership legacy.
