

PEREGRINE

GLOBAL SERVICES

Best Practices Poster Presentation and Award at the IACBE ACAM 2023

With the goal of sharing effective quality enhancement initiatives and fostering a community of continuous improvement, Peregrine Global Services is sponsoring a Best Practices poster session in conjunction with the IACBE ACAM.

The accepted presenters for the poster session will compete for the **Best Practices Award** that best demonstrates excellence in continuous improvement by implementing best practice(s) into their institution's or program's assurance of learning activities or quality enhancement initiatives.

Eligibility

Proposals for the **Best Practices Poster Session** will include a well-written, carefully edited, and organized description of the poster presentation, including a brief abstract, a detailed description of the methods used for measuring outcomes, conclusion(s) drawn from the assessment results, as well as recommendations based on the conclusion(s) and next steps for supporting the assurance of learning activities or quality enhancement initiatives.

Submitting a proposal implies that the presenter(s) will register for the conference. The poster session will be included in the conference agenda. The poster presentations will take place on April 11, 2023 and be announced that evening at the Welcome Reception.

By submitting your Best Practices Poster to Peregrine Global Services, you expressively give Peregrine Global Services Corporation permission to use the information in outreach and marketing materials and content. In addition, you may be invited to co-write articles or appear as a guest presenter regarding the information submitted as part of the Best Practices Poster Award and in collaboration with Peregrine Global Services.

Best Practices Poster Session

The recipient of the **Best Practices Award** will be recognized at the IACBE ACAM during the Welcome Reception on April 11, 2023, and a cash award of \$500 will be awarded in the recipient's name to a foundation or nonprofit of choice for the poster presentation that best represents the following:

1. method used for supporting the institution's or program's assurance of learning activities or quality enhancement initiative

2. the institution's or program's assurance of learning activities or quality enhancement initiative process
3. results collected.
4. the conclusion(s) drawn from the results.
5. the recommendations based on the conclusion(s) and next steps for supporting the assurance of learning activities or quality enhancement initiative.

Poster Preparation

- Posters are to be a maximum of 42" wide by 42" tall.
- Format the poster in APA format.
- Posters should be printed on standard or heavyweight paper that is laminated, foam board, or vinyl.
- Posters are single, free-standing research presentations. Poster presentations require the active participation of the primary presenter(s). The material should be explained briefly, and the poster should include supporting graphic and/or visual information. The poster presentation allows for high levels of interaction and discussion. We will host the presentations on April 11, 2023, during the day. Exact times are still to be determined.
