Public Administration

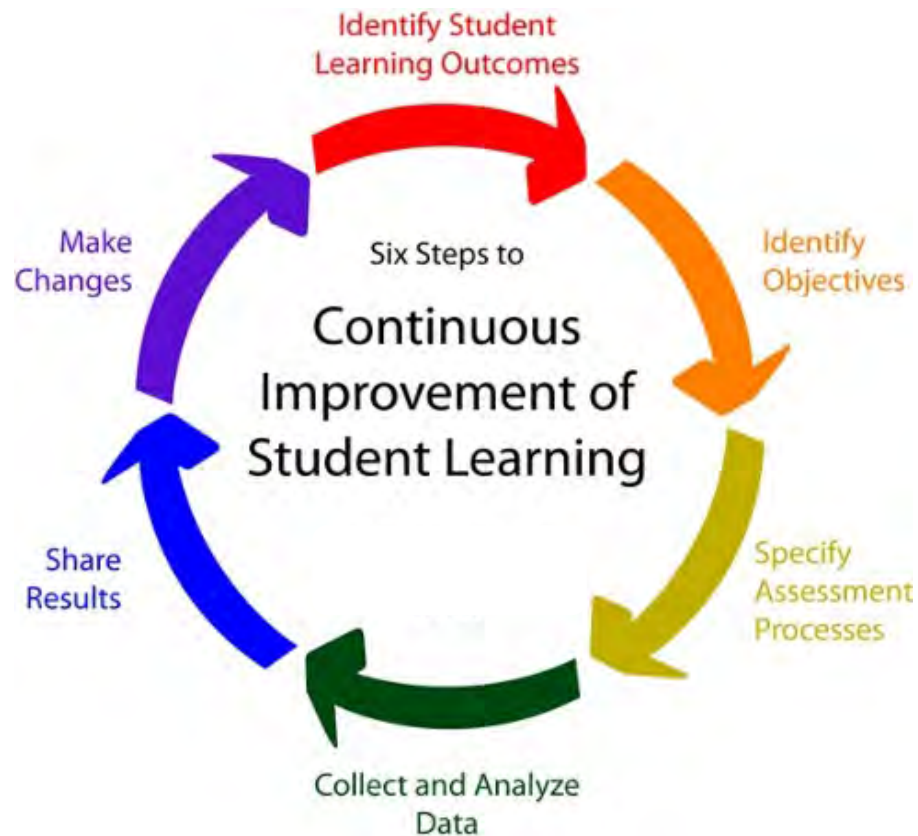

Academic Programmatic Assessment

Peregrine Academic Services provides nationally normed, summative assessment services for Public Administration academic programs that are used for internal and external programmatic evaluation. The customizable exams are delivered online and can be effectively integrated into any undergraduate or graduate program to comprehensively evaluate retained student knowledge associated with the academic degree program's learning outcomes.

The assessment service is specifically designed to address NASPAA accreditation requirements related to program performance outcomes.

Structure

It is a fully online assessment with a unique design that allows for non-proctored administration to both on-campus and remote students in a secure test environment.

Topics

The assessment offers 11 topic areas to choose from, according to your program's key learning objectives.

Customization

Our flexible design lets you create assessments that best align with your Public Administration general program as well as specializations.

Support

Unmatched client support to assist with your test administration and report interpretation every step of the way. We also provide LTI integration so that the assessment can be administered through a course shell within your school's LMS.

Comprehensive Reporting

You receive immediate access to all institutional and individual assessment scores/results. This intuitive and flexible reporting system generates a wide range of comparative reports across time, cohorts, to name a few, for sophisticated in-depth analysis.
