The Challenge

Assessment of learning outcomes is a key requirement for both institutional accreditation and programmatic certification.

The challenge is finding the right assessment tool that is flexible, comprehensive, and affordable with an external comparison that corresponds to the program.

Public Administration Assessment

A customizable, program-level assessment solution with in-depth reporting and data analysis to help satisfy assurance of learning requirements.

**PROVIDE A
MEANINGFUL, COST-
EFFECTIVE, AND
PRACTICAL
SOLUTION TO THE
EVALUATION OF
PROGRAMMATIC
LEARNING
OUTCOMES.**

**CONDUCT
COMPARISONS OF
THE PROGRAM'S
RESULTS TO ONE
OR MORE
EXTERNAL
AGGREGATE
POOLS.**

**CONDUCT
INTERNAL
ANALYSIS OF
THE
PROGRAM.**

**DIRECTLY
MEASURE
RETAINED
STUDENT
KNOWLEDGE.**

**ADDRESS
ACCREDITATION
REQUIREMENTS.**

Public Administration Assessment

Address Career Readiness

Competencies by:

- ◆ Identifying where gaps in performance exist due to conceptual errors or wrong conclusions
- ◆ Measuring students' proficiency in concepts and practices of leadership
- ◆ Demonstrating students' technical knowledge in industry-specific competencies

Public Administration Assessment Solution

Peregrine Global Solutions provides normed, summative assessment solution for Public Administration (PUB) academic programs used for internal and external programmatic evaluation.

The customizable solution is easily managed and can be effectively integrated for any PUB program to evaluate retained student knowledge associated with the program's learning outcomes.

The assessment solution is specifically designed to address programmatic accreditation requirements related to learning outcomes assessment, quality assurance, and external academic benchmarking.

Impact Education
When you impact the quality of education, you can change the world. Continuous quality assurance is a commitment and requires time. We have made it simpler. Peregrine Global Services provides you with a nationally normed, summative assessment solution. With our solution, you can access the data you need to conduct efficient internal and external programmatic evaluation.

Designed for You
Our assessment solution is designed to address the topics and learning outcomes most relevant to public administration programs today and to meet accreditation requirements of NASPAA.

Online & Secure
You can assess your students online without a proctor. Our advanced security features lead to reliable and valid assessment results. Assessments are easy to integrate within your LMS, or we will build a school-branded microsite.

Customizable
With 11 topics to choose from, you can easily customize your assessment to align with your program's key learning objectives. Also, we allow you to customize assessments to meet the needs of program specializations.

Data & Reports
Our assessment is more than an exam - it is a comprehensive solution. You will receive access to all institutional and individual assessment data and reports. The intuitive reporting system provides you with an easy way to view your results and progress.

The Accreditation Relationship

The PUB Assessment Solution is designed to address NASPAA accreditation requirements related to:

Learning Outcomes | Quality Assurance | Direct Measurement | Programmatic Evaluation

Key Features

- ◆ Build a specific assessment solution aligned with learning outcomes by selecting from 11 available public administration topics.
- ◆ Integrate directly into the learning management system (LMS) for seamless delivery to the students and automated gradebook posting.
- ◆ Randomized exam question delivery that does not require an exam proctor.
- ◆ Choose from two test banks: undergraduate (Political Science) and graduate (Public Administration).
- ◆ Client Admin with 24/7 unlimited access to the individual student results and analysis reports.
- ◆ Benchmarking of scores with other institutions based on the institutional demographics.

11 Public Administration Topics

Each PUB Topic has 3-9 Subjects

1. Administrative Law
2. Budgets and Public Finance
3. Ethics and Social Responsibility
4. Intergovernmental Relations
5. Leadership in Public Administration
6. Macroeconomics
7. Public Administration Management
8. Public Administration Principles and Foundations
9. Public Program Evaluation and Policy Analysis
10. Research Methods and Statistics in Public Administration
11. Urban and Community Management and Planning

Validity and Reliability

Peregrine Academic Services places a high priority on ensuring the validity and reliability of the assessment services. These practices begin at the design stage and continue through beta-testing, and with ongoing regularly scheduled quality reviews. For additional information regarding the reliability process, please refer to the following peer-reviewed article:

Oedekoven, O. O., Napolitano, M., Lemmon, J., & Zaiontz, C. (2019). Determining test bank reliability. *Transnational Journal of Business*, 4(Summer), 63-74.

Solution Pricing

Pricing is based on annual solution projections for all services used.

Pricing includes complete access to individual results, reports, and analytics.

PRICING FOR ALL ASSESSMENT SERVICES		
SERVICES PER YEAR	PRICE PER EXAM	
	BA/BS/GRAD	AA/AS
1–100	\$45	\$23
101–500	\$40	\$20
501+	\$36	\$18

We are catalysts for change.

We believe that we can contribute to improving the quality of higher education.

We believe we can develop values-based leaders who make a difference in our world.

We lead change by leveraging a diversity of talented people across a broad spectrum of disciplines, backgrounds, experiences, and cultures.

Together with our clients and partners, we believe that we can change the world.
